

# Moving from Claims to Informed Action

This tool will help you visualize different action options for addressing the driving question explored in your MWEE. For information on different types of action projects, refer to the graphic on page 6.

Make Your Claim			
Conclusions from Investigations			
	Solution #1	Solution #2	Solution #3
What action could be taken to address the environmental problem, issue, or phenomenon? See <b>Types of Action Projects</b> on page 6.			
How would this help to address the environmental problem, issue, or phenomenon?			
What resources would you need?
