

**CHESAPEAKE BAY PROGRAM**  
**WATER QUALITY GOAL IMPLEMENTATION TEAM**

November 13, 2018 ACTIONS AND DECISIONS

Meeting Materials: [Link](#)

**Decision:** The WQGIT approved maintaining climate change guidance targets that were presented and approved by the PSC in March 2018, with the understanding that these targets may undergo minor changes as final planning targets are refined through fall 2019.

**Action:** Please send comments on the Data Input Deadlines schedule to Jeff Sweeney ([jsweeney@chesapeakebay.net](mailto:jsweeney@chesapeakebay.net)), Matt Johnston ([mjohnston@chesapeakebay.net](mailto:mjohnston@chesapeakebay.net)), and CC Lucinda Power ([Power.lucinda@epa.gov](mailto:Power.lucinda@epa.gov)) and Michelle Williams ([williams.michelle@epa.gov](mailto:williams.michelle@epa.gov)) by COB November 26. If no significant changes are recommended, the WQGIT will be asked to approve the schedule at the December 10 WQGIT conference call.

**Action:** The WQGIT will request an additional extension on the biennial 2018 revisions to the Water Quality workplan and management strategy. The WQGIT will develop final materials for submission to the Management Board in February 2019.
