Meeting Materials: [Link](#)

1:00 Welcome/Confirm Call Participants/Workgroup Updates –WQGIT Co-Chairs

Announcements:

- The final Climate Change Narrative Guidance for use in the Phase III WIPs was approved by the Management Board on October 18. The final narrative is available on the WQGIT November 13 [meeting page](#).

1:10 Conowingo WIP Updates –Matt Rowe, MDE

Matt will update the WQGIT on the Conowingo WIP Steering Committee's progress to date, including decisions from the October 12 PSC meeting.

1:30 Updates on 2025 Climate Change Projections –Lew Linker, EPA CBPO

Lew will present the latest results from the Modeling Team and Modeling Workgroup's ongoing assessments of impacts to hydrology and nitrogen, phosphorus, and sediment loads to the Bay through 2025 due to climate change.

2:00 Data Input Deadlines -- Matt Johnston, UMD, and Jeff Sweeney, EPA CBPO

Matt and Jeff will present a schedule on proposed data input deadlines for Phase III WIP planning and development, 2018-2019 milestones, and 2020-2021 milestones, as well as the types of data that may and may not be changed during these time frames.

Action Requested: WQGIT is asked to submit comments and questions to Matt Johnston, UMD (mjohnston@chesapeakebay.net) by COB November 26. The WQGIT will be asked for final approval of the data input and deadlines memo at the December 10 WQGIT conference call.

2:50 Updates to Water Quality Management Strategy and Logic Table/Workplan – Michelle Williams, CRC, Dinorah Dalmasy, MDE, Scott Phillips, USGS, Peter Tango, USGS

Responses to comments and final revisions to the management strategy and workplan for the 2017 WIPs, 2025 WIPs, and Water Quality Standards Attainment and Monitoring

outcomes have been distributed via email to the WQGIT. A final “fatal flaw” review by the WQGIT, concurrent with the public input period and Management Board review period, will take place through November 30, after which the Management Board will be notified on December 6 of the final water quality SRS materials. Any WQGIT membership who cannot live with the revised materials per the Consensus Continuum will be asked to fully explain their objection and take full responsibility to further revise the materials to address their specific objections.

Action Requested: WQGIT “fatal flaw” review of SRS materials over email. Any WQGIT members who consider their jurisdiction or agency unable to live with the revised materials should contact Lucinda Power (power.lucinda@epa.gov).

3:15 Adjourn
