Agenda

- Welcome, and note that this is a public meeting.
- Quick review of the draft 2022 Annual Update.
- 2022 MD monitoring report: status, timeframe.
- 2023 planting update. Anything needed from the team to start 2023 work?
- Manokin construction update
 - Review Manokin reduced seeding density plan
- Manokin spat efficiency study: under development.
- From Laurinda: 2 sites in the Little Choptank that were never monitored. Also, 2 in the Tred that weren't monitored. These were designated as premet and were missed. Also, the last monitoring report had some errors in one of the charts.
