MERCER VU
Farms Inc.

A group of 12 people, including men, women, and children of various ages, are posed in front of the Mercer VU Farms Inc. sign. Some are standing behind the sign, while others are sitting on a stone ledge in front of a garden. The group is diverse in age, with a young girl in a pink dress and an elderly woman in a patterned shirt. The background features a rural landscape with hills and a cloudy sky at dusk or dawn.

Our Mission: To produce high quality milk efficiently, safely and profitably as to benefit management, employees, the cows, the environment and the community in which we live.
