Chesapeake Conservancy shared Chesapeake Bay Program's post. ⋮

November 8 at 3:21pm · 🌐

[#DidYouKnow](#) that 86 percent of residents in the Chesapeake Bay watershed believe that if people work together, water pollution can be fixed? Check out the [Chesapeake Bay Program's](#) new Citizen Stewardship Index to find out more about environmental stewardship and behaviors in your state!

Collaboration is the key!

The results of our stewardship survey provide in-depth analysis of environmental actions. @baytrust @AllianceForBay

Bay program survey unveils promise and challenges of citizen stewardship

Back in 2015, volunteers from the U.S. Air Force 7th IS Squadron, stationed at Fort Meade, with help from day campers at Camp Lettis in Edgewater, planted bay grasses. (Paul W. Gillespie file photo)
