

Chesapeake Bay Stewardship Fund

2018 Grant Awards To/On Behalf of Local Governments

Grant ID#	Grant Program	Local Government	Project Title	Project Description	Project Location	Total Grant Award	Total Match	Start Date	End Date
62979	Small Watershed Grants 2018 - Planning	Tioga County Conservation District of Pennsylvania	Identifying and Designing Restoration in Tier II Eastern Brook Trout Patches (PA)	Identify, prioritize, design and permit habitat restoration projects within two Tier II eastern brook trout patches, the Tioga River and Babb Creek. Project will enhance the ability of the Tioga County Conservation District to implement effective priority habitat restoration and sediment reduction projects, motivate individuals and local governments to implement projects, and increase benefits to water quality and eastern brook trout habitat.	Tioga County, Pennsylvania; Babbs Creek Watershed and Tioga River Watershed	\$37,640	\$12,178	1/31/2019	1/31/2020
62933	Small Watershed Grants 2018 - Planning	University of Maryland Environmental Finance Center	Continuing Momentum to Reduce Stormwater Pollution in the Oxford Region (PA)	Support the Oxford Regional Planning Committee in their efforts to address stormwater pollution in both the regulated and unregulated parts of municipalities. Project will develop a partner structure for program delivery and will translate pollution reduction goals to the local level while providing a sustainable financing strategy to support initiation and continued implementation of programming throughout the watershed.	Oxford Borough, East Nottingham Township, West Nottingham Township, Upper Oxford Township, Lower Oxford Township and Elk Township; Chester County, PA.	\$49,950	\$0	1/1/2019	1/31/2020
62892	Small Watershed Grants 2018 - Implementation	Department of Energy and Environment	Freshwater Mussel Restoration in the Anacostia (DC)	Improve and study water quality conditions in Kingman Lake, Nash Run, and Watts Branch using three native species of freshwater mussels: eastern elliptio, alewife floater, and eastern pondmussel. Project will educate 400 young people per year on the importance of freshwater mussels for ecosystem services and develop a freshwater mussel restoration plan for the District of Columbia based on work performed during this grant and prior to this grant.	Kingman Lake, Watts Branch, and Nash Run, District of Columbia	\$200,000	\$200,000	3/15/2019	9/30/2020
62837	Small Watershed Grants 2018 - Implementation	Town of Woodstock	PROJECT LiNK: Stormwater Management in Shenandoah Towns (VA)	Construct two biofiltration projects, incorporate permeable pavers into a retrofit of court square area, and foster broader adoption and better maintenance of stormwater facilities by the localities in the Shenandoah River Friendly Towns collaboration through a series of related outreach and training efforts. Project will demonstrate the benefits of green infrastructure in Shenandoah localities.	Shenandoah County and Town of Woodstock	\$200,000	\$67,155	1/7/2019	1/6/2021
62826	Chesapeake Bay Small Watershed Grants Implementation 2018	Tioga County Soil and Water Conservation District of New York	Sustainable Streamside Buffer Establishment in the Upper Susquehanna (NY)	Support the Upper Susquehanna Coalition Buffer Program to plant additional riparian buffer acreage and facilitate management on riparian buffer practice acres. Project will educate and manage riparian buffer stewards to evaluate and assess buffers throughout the watershed to determine plant survival and management needs and to facilitate management activities.	Upper Susquehanna River Watershed in New York and Pennsylvania	\$200,000	\$66,000	1/1/2019	12/31/2020

Grant ID#	Grant Program	Local Government	Project Title	Project Description	Project Location	Total Grant Award	Total Match	Start Date	End Date
62813	Small Watershed Grants 2018 - Implementation	Middle Peninsula Planning District Commission	Engaging Local Landowners in Living Shorelines and Shoreline Management (VA)	Target landowners with contiguous repetitive loss properties to create a 500- to 700-foot stretch of living shoreline and develop rural coastal flooding resiliency plans utilizing sand from other dredging projects. The project will improve coastal resiliency and mitigation efforts, while simultaneously improving water quality and managing shoreline erosion and marsh loss.	Essex, Gloucester, Mathews, and Middlesex Counties; Towns of West Point, Tappahannock, and Urbanna	\$199,914	\$70,000	1/1/2019	12/31/2020
62784	Small Watershed Grants 2018 - Implementation	Capital Resource Conservation and Development Area Council, Inc.	Increasing Rotational Grazing and Crop Cover Practices through Farmer and Community Engagement (PA)	Support the adoption of cover crop grazing and other rotational grazing practices both on four study farms and an additional six to 10 farms, transitioning land to rotational grazing. Project will result in 200 acres of best management practices and innovation in rotational grazing.	Franklin, Adams, Cumberland and York Counties, Pennsylvania	\$194,431	\$68,910	4/15/2019	5/31/2021
62779	Small Watershed Grants 2018 - Planning	Carroll County Government - Bureau of Resource Management	Stormwater Retrofit Design at Woodsyde Estates (MD)	Design the retrofit of two existing stormwater management facilities in the Woodsyde Estates subdivision to provide water quality treatment for 59 acres of drainage area and design a stabilization and restoration of 1,600 linear feet of stream within the South Branch of the Patapsco River. Project design, when implemented, will improve water quality as well as provide protection of the downstream receiving stream.	Ash Grove Court, Eldersburg, Carroll County, Maryland.	\$50,000	\$60,000	3/1/2019	2/29/2020
62745	Small Watershed Grants 2018 - Implementation	Town of New Market	Converting a Fire Pond into a Step Pool Storm Conveyance in the Town of New Market (MD)	Retrofit the Town of New Market's fire pond, converting the pond into a step pool storm conveyance system to mitigate future flood risk. Project will capture and treat runoff from 25.8 acres of land and will improve local water quality and nutrient and sediment loads.	Town of New Market, in Frederick County, Maryland	\$150,159	\$150,000	2/1/2019	7/31/2020
62666	Small Watershed Grants 2018 - Implementation	Northern Neck Planning District Commission	Low Impact Stormwater Retrofit in the Town of Warsaw (VA)	Convert an abandoned and paved shopping center to a stormwater pond with green space, rain gardens, bioretention areas, walking trails, native plants and interpretive signage. Project will be a living and visible demonstration site that invites pedestrians into the downtown area and informs residents, students, and visitors of the positive impact of green infrastructure.	Town of Warsaw, Richmond County, Virginia	\$200,000	\$1,443,550	1/1/2019	6/1/2020
62623	Small Watershed Grants 2018 - Planning	Maryland Association of Soil Conservation Districts	Increasing Consistent Training for Local Soil Conservation Districts (MD)	Increase the planning, design, and technical assistance capacity of Maryland's soil conservation districts, which provide services in agricultural and urban landscapes through consistent training. Project will increase the capacity for conservation planning and implementation in order to increase conservation and reach Maryland's Phase III Watershed Implementation Plan goals.	All Counties in Maryland	\$45,296	\$107,233	3/1/2019	2/29/2020
62554	Small Watershed Grants 2018 - Implementation	Blair County Conservation District	Lakemont Park Green Infrastructure and Urban Runoff Management (PA)	Construct green infrastructure in Lakemont Park, including three rain gardens, a vegetated permeable pavement lot, a rainwater harvesting system for stormwater re-use, and a riparian buffer. Project will manage upland urban runoff and will become part of the maintenance program for the park/recreational area. The project also provides an opportunity for education and examples for additional community green infrastructure redevelopment.	Lakemont Park in the Beaverdam Branch Watershed, Pennsylvania	\$195,000	\$237,100	2/4/2019	9/30/2022
						\$1,722,390	\$2,482,126
