

# Strategic Science & Research Framework: Next Steps

## Thoughts and feedback from SRS Biennial

- Clarifying Management Board's role & how we utilize them – can help evolve the way we prep for SRS meetings
- Think through where science process hooks into SRS
- Engage agency reps on needs

## Other next steps

- Continue to pull in STAC recommendations
- Identify ways to more consistently engage with STAC
- Continue resource assessment
- Determine best ways to share needs with science providers
