10:20 Federal Legislation and Stormwater. Peter Marx, Choose Clean Water Coalition

Peter will provide the workgroup with an overview of recently proposed federal legislation and its impacts on Chesapeake Bay restoration efforts, and stormwater in particular.

10:40 Unified Stream Restoration Guidance Document. David Wood, CSN

David will introduce a new CSN guide that pulls together all of the recently approved stream restoration memos into a single document for Bay Managers and Practitioners.

10:50 USWG Governance Updates. Hilary Swartwood, CRC

Hilary will update the group on the current status of the workgroup's members and recently approved revisions to the [WQGIT Governance Protocols](#). USWG members will be asked to provide updated contacts for their official members (if there are changes). A call for At-large and local government member nominations will be issued.

11:00 What's Next for the USWG. David Wood, CSN

David will introduce the upcoming joint workshop, between the USWG and CRWG, which will take the place of our regularly scheduled October meeting. David will also tee up a few questions for the workgroup to consider about priorities and processes for the workgroup moving forward.

11:15 Adjourn.
